

The Australian Youth Forum: Consultations

Join us for a local event - If you're under 25, we want to hear:

What are the main issues affecting you and your friends?

What different ways can government connect with Young People?

How can the Australian Youth Forum ensure that all young people have the opportunity to be heard?

We want to hear from you. Whether you're at school, tafe, uni or working, living at home or on your own. Whether you're a young parent or a person with a disability or from a culturally diverse background.

We need to hear from everyone!

The Consultations will be run by Michael O'Meara (Mo), who has just returned from facilitating the Youth 2020 Summit in Canberra.

Melbourne

Thurs 15 May, 2008
